Concert Band

Vigorous and determined, the band marched into one of its best seasons. The first goal was assisting the Junior Women's Club in raising money for the band. In the middle of the year, emphasis was placed on concerts and contests. After a busy district contest held at Chilli, we entered state. The winners of firsts at state were: flute trio, Gail Hammond, DeeDee Johnson, Claudia Taylor; trombone quartet, Janet Guigler, Bill Crull, Emily Grafton, Kurt Hollandsworth; sax quartet, Janet Carr, George Hiduk, Bobbi Hiduk, Jane Gilpin; sax solo, Jane Gilpin; tuba solo, Rick Hintze; voice solo, Greg Howald. At our last concert, the seniors and Mr. Allan said good-bye to Chilli High. Our season ended on a nostalgic C.

Homecoming

1961

QUEEN THELMA BELL
KING STAN KEITHLEY

Queen Thelma Bell and her king, Stan Keithley, reigned over the homecoming of 1961. The rousing assembly ended with the crowning of our queen. Our march band and the floats carried out the tradition of a Homecoming parade. The game was hard fought, ending in a 7-7 tie; and the dance, with the presentation of the queen and her attendants, was a perfect climax for another Homecoming at Chilli High.

How do we write an editors' page? Of course, we want to thank all the staff. It's a necessary evil. No, wait! That's not what we meant. We have really had a hardworking staff, especially Mrs. Carroll. And May Jo handled the underclassmen section in true good Joism fashion. Denny finally completed the sports section after he stopped the rest of the staff from stealing all his pictures. The photographers had fun, although we got tired of pictures of Janet. Dave was so inspired by his pictures that he is now going to become a pro at photography. Linda had a terrible time setting up her activities because she always wanted to use heart-shaped layouts, but we finally convinced her that square-shaped layouts could be just as romantic. Drema and Jill also managed their jobs well. And, of course, we couldn't have lived without our typists --Carol Ann, Ron, and Joyce--despite the many injuries to the typewriters. Then there were the meetings, But even yearbooks are censored. Naturally, there were many disagreements and compromises, the results of which are this yearbook.

Hope you like it!

Your editors,

Jill and Jeanne
